About us....

Gunung Sugih Wirajaya Company offers Engineering Construction and Construction Project Management.

Gunung Sugih Wirajaya is dedicated to company , organization or individual seeking construction services.

We are committed to providing the best possible construction expertise & service to ensure cost effective and successful projects.

Quality

Quality and continuous improvement in all work operational areas. Compliance and accreditation to ISO 9001:2018 has been achieved & maintained.

Health & Safety

The Safety of our workforce and anyone who is affected by our work is of the highest regard. Our HSE Policy meets all legislative requirements and is accredited to ISO 45001:2018

Environment

Gunung Sugih Wirajaya Company recognises that in society today environmental issues are of concern to its customers, suppliers, employees and the community as a whole, and will work in partnership with

them, industry and the regulatory authorities to improve the quality of life in general.

We maintain a proactive environmental management system and are accredited to ISO 14001:2018.

Our Vision

Our vision is our dream, our aspiration for the future. PT. Gunung Sugih Wirajaya to become the contractor of choice for the execution of exceptional Marine, Civil , Piping , Mechanical Electrical , Installation projects and Raw Ship Materials with We service Rental of Heavy Equipment. Each project, each operation, each achievement is unique and realizes something that is often seen as impossible to the outside world and our clients;

"Creating superior value by realizing the inconceivable together"

Our Mission

Our Mission is our fundamental purpose, our reason for existence. It is our guideline for our organization and to our clients why we believe we can create superior value by realizing the inconceivable;

- We understand what keeps our customers awake for realizing their project.
- We deliver a safe and on time operation.
- We lead the industry in safety and environmentally friendly execution of projects.
- We employ the best professionals in their field of expertise.
